

ISTOCK PHOTO STOCK IMAGES – MANAGING YOUR LIGHTBOX

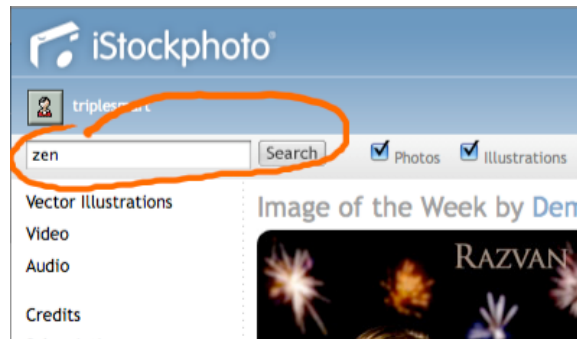

1. LOGIN

- a. Go to <http://www.istockphoto.com>
- b. Login on the top right, username: triplesmart password: triplesmart

2. SEARCH

- a. Use the top left search bar to search for photos using keywords. Sometimes a single keyword works best, but you can use more than one as needed. You can also hit “advanced search” and you will see more options.

3. VIEW and SAVE

- a. When you see the results you can drag your mouse over the photos to view them larger.
- b. To save images you like to your light box, select the “lightbox icon” which looks like a gray arrow and a box below the photo number. Note: if you click on the photo itself and open it in a new page the add to lightbox button is in text below the photo.
- c. Save the photos to the lightbox which Triple Smart has created for you with the name of your company. Scroll down to find your name the first time, and the system will remember you the second time.

4. REVIEW

- a. To view the photos in your lighbox, select "Lightboxes" from the top left menu bar. Select your company name. You can save the link in an email for future access.

Search for a Lightbox

triplesmart's Lightboxes

The following is a list of your current lightboxes. Fill a lightbox with images on a particular subject. A public lightbox is searchable by everyone, but will not be visible to other members until it contains at least 20 files.

Click on the Lightbox name to manage its files.

Name	Public	Files	Views
Cremlisan	Yes	34	34
Culturistics	No	83	12
